

39 MN JUNIORS PARTICIPATED IN THE 2016 JNHE IN MADISON, WI

# Message from the President & the Sale Manager

by Daryl Rupprecht & Steve Wolff

It's hard to believe the summer is almost gone and the fall sale season will be here soon. Now that all the juniors are home from Jr. Nationals, they will be doing country fairs and of course the State Fair which will mark the end of the summer.

Hopefully everyone has received enough moisture because we sure have so far. As you see in this newsletter the Gopher Sale is around the corner so be sure and get all your information to Steve. This is our major event of the year and it needs your support.

That's all for now, but remember the fall tour and the upcoming fall sales. As always if you have a thought or concerns contact any one of the board members.

Thanks and have a Safe Harvest Season

~Daryl

I hope everyone is having a good summer with lots of moisture and healthy calves. It is hard to believe it is already August and time to start thinking about the Gopher Sale.

As far as entries go, things will be the same as in the past; with entry fees being \$200 per lot and due by September 15<sup>th</sup>. We will try and do the videoing around the same time as in years past which has been the third week in October. I am more than willing to travel anywhere feasible to take the videos as long as it is a central area for as many breeders as possible in that region. So please take time to start planning what you may want to consign to this year's sale and as always feel free to contact me if there is anything you may need.

Thanks!

~Steve

# Junior Nationals

by Keely Neil

MN Juniors have been busy this summer in the show ring, with shows in all four corners of the state, Herefords still continue to be competitive in the show ring and have great representation. The highlight for most if Jr. Nationals and it was not without its travel woes, but we all got there eventually and will always have a story to tell!

A Hereford Scene 2016 Jr. National was a HUGE success! We participated in the record setting Jr. National with over 1800 head of cattle and over 800 youth exhibitors from 41 states and Canada. With a nice short drive to Madison, Wisconsin, the Jr. members of MN had a great representation – 23 families with 39 exhibitors.

We had many highlights this year:

- 14 families exhibiting for the first time at a JNHE
- 2 CHB Grill-Off Teams
- 2 Photo Contest Exhibitors
- 2 Poster Contest Exhibitors
- 2 Exhibitors that gave GREAT speeches
- Top 6 in Team Fitting – team is made up of 3 juniors each from a different age group
- We participated in the State Group of 5 – and we looked good out there!
- 3 Judging Teams placed in the Top 3 of their age groups – no other state can claim that honor!
- Nick Delaney was nominated for Junior Herdsman of the Year!

While in the show ring Minnesota was represented well and looked great out there, maybe more importantly was the many friendships that were made outside the show ring within our own group as well as with juniors and families from others states!

Many, many, many games of corn hole and cards were played in the barn alley! Nick Delaney ended his Jr. Show career in Madison this year – you will be missed Nick! Thanks for being there for the younger members and helping when asked.

Mark your calendar for July 14 – July 21, 2017 as JNHE will be in Louisville "Showin' for the Roses". A block of rooms will be reserved for the MN group so stay tuned!

~Keely

Team Fitting – Tar Tutt, Mabry McGuegill, & Nick Delaney

## Midwest Classic

by Jenna Schmidt

Another year is in the books....oh wait that's the 10<sup>th</sup> Midwest Classic! Where has the time gone? The Midwest Classic has seen a lot of changes since that first show in 2007 that had 32 head, 14 exhibitors from 3 states and where we showed in a tiny show ring in the barn. While 2013 was a record breaking year for number of exhibitors and animals, 2016 was not too far from it with 110 head and 65 exhibitors from 7 states! The changes to the grounds over the years are quite evident as most of you can recall the new show ring, additional wash rack space, more and permanent tie-outs, and I'm excited to tell you that in 2017 you will be in a new barn! So mark your calendars for June 23-25, 2017 (these dates are tentative – so stay tuned)!

Now, back to 2016 – the support for the Midwest Classic is great and without all of you sponsors, bidders and donors of the Gopher-Sale Silent Auction, those who purchase Donation Heifer tickets and donate the heifer, and of course the exhibitors and families this event wouldn't be as great as it is! THANK YOU! !

Checkout the website for all results!
