

Minnesota HEREFORD BREEDERS

FROM THE PRESIDENT

By: Bryan Lawrence, MHB President

Hereford Breeders,

Greetings to all. After a great Gopher Purple Sale in December I have been reflecting on the Hereford Breed and the ability it has to bind us all together as a family. This breed is deeply rooted in history backed by a firm foundation in quality genetics that have stood the test of time. Our animals are phenotypically pleasing to the eye, efficient, functional and docile producing an end product that is nutritious and wholesome.

Moreover, we are a family of people that love coming together to socialize, compete and share ideas with one another all in a sincere effort to promote the cattle we love. I am proud and honored to be associated with such an incredible group of people. Serving as your president is something I am looking forward to.

As we begin this new season, we need to always consider where we come from, the roots of history and our friends and family that have gotten us to this moment. Our vi-

sion for the future is bright and I am excited to be a part of it with you. Let's make it a great year! God Bless America and Hereford Cattle.

Side Note:

Go see American Underdog! What a great feel good movie full of great life lessons. And of course our beloved Hereford breed makes a great big screen cameo in the movie! It's definitely a must see!

JUNIOR UPDATE

By: Keely Neil

The MN Junior Hereford group had a busy December helping with the Gopher Sale activities. We had a great turnout of youth at the banquet to help with the silent auction and on Saturday to help distribute raffle tickets and run cattle in for the sale.

We would first like to thank the Mouser Family for donating the heifer to the MN Junior Hereford Assn., and secondly we would like to thank all of you that generously purchased tickets this year. The winning ticket was purchased by Dale Bellefy from Bagley, MN.

We had a brief Junior meeting on Saturday morning and discussed shows to sponsor our upcoming

show and Junior National.

Our state show will be held in Pipestone. JUNE 24-26. Please note: Hotel rooms are very tight that weekend so please plan accordingly. The 2 hotels by the fairgrounds are the Grandstay and the Pipestone Inn. There is also camping available at the fairgrounds.

Junior National will be held in Louisville, KY July 16-22, 2022. We will not be getting a block of rooms. We discussed it at our meeting and suggest reserving a room under the JNHE block at the:

1. Courtyard Louisville Airport (first Choice), or
2. Crowne Plaza Louisville Airport Expo

Info and phone numbers are available on the Hereford website under the YOUTH tab. There is also camping info available on the website. ROOMS FILL UP FAST SO PLEASE PLAN ACCORDINGLY.

MINNESOTA CATTLEWOMEN'S REPORT

By: Michelle Mouser, President

Legacy, longevity, passion, and vision are all words that easily come to mind as the Minnesota CattleWomen (MNCW) start 2022. This year marks our fiftieth anniversary! On July 21, 1972 eight women gathered together in Walker, MN to adopt the constitution and by-laws of the Minnesota CowBelles and become the 38th state to form a CowBelles unit. This summer, fifty years later, we will return to Walker on July 30 to honor our past and celebrate our future.

Our theme this year is, "Reflect to Grow." As we continue forward with our mission to "promote, support, and encourage women in the beef industry," we will look back to remember who's behind us, where we have been, and what has been done. The CattleWomen have a rich history and one that is worth remembering. Recently in 2021, we held true to our mission through

our five events across the state; our membership increased greatly and relationships and connections were strengthened. Looking to 2022, the events to continue this momentum forward are already taking shape.

Kicking off on April 28-30 in Rochester, MN, we will be hosting the American National CattleWomen Region 3 & Region 7 meeting. Following this we travel north to Walker, MN, on July 30 to celebrate our fifty year anniversary and pay tribute to all the women who have led us here. In October we head to the MN Beef Expo; a weekend that will be packed with opportunities from a Freezer Beef Workshop on October 20, a hospitality tent during the trade show, and the MN Beef Ambassador Competition on October 22. The year will conclude at the Cattle Industry Convention in December with our President's Social and Annual Meeting.

In order for our members to stay up to date on these events, know how and where to get plugged in, and so they know who is leading them, we have published the inaugural issue of "MN CattleWomen News" which will be mailed quarterly.

We encourage women of all ages to join the MN CattleWomen. Our youngest member is three years old and knows her cows just as well as her grandma. As a member you will receive our quarterly newsletter, discounted registration at events, and be part of an amazing group of cattle women ready to continue the rich heritage that began fifty years ago.

To keep up with all that is happening visit our website, mncattlewomen.org or follow us on Facebook and Instagram @MNCattleWomen.
