

# Minnesota HEREFORD BREEDERS

## FROM THE PRESIDENT

By: Doug Lind, MHB President

Hope everyone is doing good and enjoying what feels like a spring day. I believe most of us had some extreme cold and hopefully all got through it without too many challenges. Spring is one of my favorite times of the year. The weather is getting better, the days are getting longer, the grass and other plants are coming to life but maybe the best part is the long anticipated matings have or will be showing up soon. All the new things happening is exciting and I especially hope the calving goes great for

all of you.

Sale season is in full swing and what a great time to be in the cattle business. The Gopher was held on December 13th with a very strong offering and very good sale averages. Please keep this sale in mind as you do your marketing plan for 2026. Top end cull cows can bring either side of \$2,500.00 and top bulls are \$4,500.00-\$5,000.00 - there maybe has never been a better chance to trade up or keep heifers and sell older cows. As far as feeder cattle goes calves have

PAGE 10

*(From the President, continued from page 1)*

been very good property to sell and appear to have a strong market going forward. The Hereford influenced feeder sale was no exception and number consigned continue to get bigger. Please take a few minutes and consider consigning in December.

Junior shows are right around the

corner and there's many opportunities for our Juniors. Please support them as they are the future of our industry. The Hereford Jr. Nationals are in Madison, Wisconsin on July 4-12 and this is a great event to attend both as an exhibitor or as a Hereford breeder.

This year's Hall of Fame inductees were Greg and Gayle Hilgeman and John Schafer. Both are very deserving and have contributed an enormous

amount of support and dedication to the Hereford breed. It was a treat for everyone there to have inductees that weren't scared of the microphone and shared some wonderful knowledge and experiences. Congratulations to you Gayle, Greg, and John.

Have a safe and healthy spring and summer.

- Doug Lind, MHB President

# MN BEEF COUNCIL UPDATE

By: Jeri Hanson

February 1 - 5, I attended my last Cattlemen's Beef Board Meeting – I termed out after 6 years. It was a great privilege to represent Minnesota cattlemen and cattlemen on this board along with 98 other producers and importers! The board experience allowed me to understand and help make decisions on the national beef checkoff along with the importance of our state beef council's work to keep BEEF as the main protein on peoples' plates. The checkoff is celebrating **40 years** of promotion, education, and research – looking back over those years, the checkoff has done a good job in all three areas. There is a lot of information showing the highlights of the past **40 years** in The Drive – hopefully you all are receiving this either by mail or email. It is interesting to see how your

checkoff dollars have helped make our products safer through investments in food safety research; reinvented and added value to portions of the beef carcass through "Muscle Profiling Research"; "Beef in the Early Years" campaign focused on educating expectant parents and parents with toddlers on the benefits of introducing beef in early childhood; aligned beef and athletics with college and high school sports teams and many more programs – all with the continued focus of making BEEF the Number One Protein on the consumers' plate! It has been a great and successful journey!

The end of March, ballots will be sent out to all certified producers (*hopefully all of you are certified – February 12 was last date to do that*) for voting on the Minnesota Beef Council mem-

ber running in your district if you are in District 1, 4, 5, 7 or 8. Also on the ballot will be a question about raising the state checkoff by \$.50, to be used only in our state of Minnesota. If requested, this \$.50 can be refunded and can be used for production research. The board has been operating with the same \$1.00 since 1986. Today that \$1.00 is worth about 33 cents! If you have any more questions regarding the upcoming referendum, please give the Minnesota Beef Council office, Minnesota State Cattlemen's Association, or any of the directors a call and we will be able to educate you on the checkoff.

Hoping everyone's calving season is going well! What nice weather we have enjoyed – other than the cold, cold week in January!!

- Jeri Hanson, MBC Secretary

# JUNIOR UPDATE

By: Bella Pressnall

The Minnesota Juniors have had a busy year working hard, having fun, and making new memories in all different areas so far!

Most recently we took part in the 2025 Go-Pher the Purple sale! We worked hard to raise money through the raffle donation heifer and the silent auction. We would like to thank everyone who made the successes of the gopher sale event possible. And once again thank you to Reed Stock Farm for your generosity in donating the 2025 raffle heifer. We are extremely grateful for everyone's impacts and investments into the Hereford youth, and are excited to put the proceeds to great use. We are also so thrilled to have Morgan Styndl as our MN Hereford queen this year.

Last June at the Midwest Classic Show we had another fantastic year. Juniors were competitive in the show ring

and even in our cornhole tournament.

We held officer elections. Our current officers are:

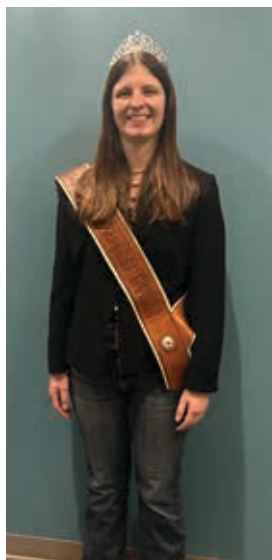

President: Bella Pressnall  
 Vice President: Kendra Reed  
 Secretary: Matalyn Martinson  
 Treasurer: Wynn Lawrence  
 New Social Media Chair: Taylor Reed  
 Director: Morgan Morrow  
 Director: Andrew Timm  
 Director: Emily Haas

We cannot wait for another great summer to come with our officer team. Mark your calendars for June 12th-14th as we are looking forward to our 20th anniversary of the Midwest Classic!!

Numerous juniors attended JNHE last summer in Louisville Kentucky, where we had many Minnesota successes in all areas! We are all looking forward to seeing even more MN juniors at the JNHE this summer in Madi-

son, Wisconsin July 4th-12th! So many fun things will be happening leading up to it as well as there. Feel free to always reach out with any questions and stay tuned for more information to come on JNHE. Hope to see you all there!

We are so excited and looking forward to having yet another great year at many other shows and Hereford events this summer. More information on Faces of Leadership coming soon as well, so juniors - start thinking about it! It's an incredible experience and absolutely worth it if you have the chance to attend! Remember to always be as involved as you can in any way you are able, I promise you won't regret it. Follow us on social media for more updates all year long! Thanks again to everyone who helps make it all so memorable for many!
