## President Update

Greetings,

Its the start of November, and its feeling like winter will be here soon. That means we are getting ready for the Minnesota Hereford Breeders Annual meeting, Banquet and the Go-Pher the Purple sale held in Hutchinson, MN December 7-8. This is a weekend where we celebrate the Hereford breed, cement old friendships and meet new acquaintances who share the same passion. Our breeders and sales staff have finished the videos and pictures for the sale catalog and we look forward to another excellent sale offering our best to fellow Hereford breeders.

Over the past several months, Wyatt Lawrence, the President of the Junior Association, along with several officers and directors, and I have had tremendous interaction thinking through several ideas that our associations can do together. This group of young people are doing a great job of brainstorming different things the association can do. Some of these items will be discussed at both the Junior and Senior meetings and I would encourage you to attend the meeting and the Banquet to learn what ideas we are developing. Just a quick reminder, to bring silent auction items for the banquet the evening of the annual meeting, this is fun and it helps benefit the juniors.

**The annual meeting will be held at its usual time of 1 p.m. on Friday, December 7** at the McLeod County fair grounds. In the meeting we will cover the great work that the many volunteers within our breed are doing to help further the beef industry and be great stewards of the Hereford Breed. We as an association should be very proud of the work that is being done by our members. Also in the meeting we will be discussing the upcoming plans we have for next year as we continue to work together to help promote the Hereford Breed. We would appreciate your attendance at this meeting.

Good luck to everyone as they finish field work.  
Stay safe and we will see you in Hutchinson

MN Hereford Association President, Kent Heins
